LOS RIOS BOARD APPOINTS NEW TRUSTEE

Sacramento—Last night the Los Rios Community College District Board of Trustees appointed Dustin Johnson to serve as Area 1 Trustee representing the northwest part of Sacramento County including Del Paso Heights, Elverta, Rio Linda, North Highlands and Natomas. The trustee vacancy was created when long-time trustee Ann Blackwood left the Board due to an out-of-state job relocation.

Johnson, an attorney, served as a student trustee on the Los Rios Board in 1996 when he attended American River College (ARC). He transferred from ARC to California State University, Sacramento where he received his BA degree and continued his education at the McGeorge School of Law.

Johnson will serve in the appointed position until the November 2010 general election.

More than 90,000 students are enrolled in the four colleges of the Los Rios District—American River, Cosumnes River, Folsom Lake and Sacramento City.
